

Instructions - Report of Guardian Cover Page

All guardians required to file periodic reports must complete the Report of Guardian Cover Page. This is a one-page document to which the appropriate report(s) will be attached.

The date of appointment should be filled in prior to the first numbered paragraph, even if the reporting period is not aligned with that date (i.e., if reporting is required quarterly). The start date and end date of the reporting period must be stated in the caption. Make sure to select appropriately as to the nature of your guardianship: Guardian of Person, Guardian of Estate, or Guardian of Both Person and Estate. This selection will guide you in choosing the appropriate reporting form(s) to attach to the Cover Page.

You must file the original report with the Surrogate and serve copies of the report on the interested parties. Remember that there is a fee of \$5/page for all documents filed with the Surrogate, including the Cover Page. In terms of service, you should consult the Judgment to see if any particular method of service is required (i.e., by certified mail). If nothing is stated in the Judgment, then use your discretion as to the method of service.

The term “Interested Parties” (or parties-in-interest) includes the nearest of kin of the incapacitated person, meaning those relatives served with notice of the underlying guardianship action, including any relatives identified or located after the filing of the complaint and prior to entry of the judgment. Note that a child of an incapacitated person need not be served during minority but must be served upon reaching the age of eighteen (18) years, even if such child was a minor at the time of the guardianship proceeding and therefore not listed as an interested party in the verified complaint. Interested parties may also include any agent(s) appointed pursuant to a power of attorney or advance directive, as well as the director of a residential care facility having custody of the incapacitated person, and/or the attorney appointed for the incapacitated person in the guardianship action. If an interested party is under a guardianship or has died, then this should be noted in the certification of service section of the applicable report(s).
